Our virtual assembly is now live!

Find out what Splash! have been getting up to during lockdown...

We have made a short video to update our supporters on what we have been doing over the last few months. Please share it with your friends and churches!

Autumn Virtual Assembly

Thank you all for your prayers and practical support over the last few months. We had a great time putting together our virtual assembly and are so excited to share it with all our schools. We have had some positive feedback already with schools telling us how appreciative they are. Our supporters don't normally get to see our assemblies so we thought this would be a lovely opportunity to share with you some of the work we do. Our virtual assembly for the autumn term is now available on our website and we would love to get some feedback on what you think? Email us your thoughts!
